Glimpses of the Webinar:

The screenshot shows a presentation slide with the title "Why 10th December?". The slide contains two bullet points:

- Preamble of UDHR states, "Whereas it is essential, if man is not to be compelled to have recourse, as a last resort, to rebellion against tyranny and oppression, that human rights should be protected by the rule of law."
- **December 10** every year is observed as International Human Rights Day. On this day in 1996, South African President Nelson Mandela signed into law a new constitution for South Africa. The new constitution legally established racial equality and consigned apartheid to history.

At the bottom of the slide, there is a Google Meet control bar with the text "meet.google.com is sharing your screen." and buttons for "Stop sharing" and "Hide".

In the top right corner, there is a small video inset of a man wearing glasses and a dark jacket, identified as Rohit Sharma.
